The Woman Landowner Academy Advertisement:

The Woman Landowner Academy is a 6-week virtual program covering 6 landownership topics: understanding what you own, how to read a map in the woods, financial opportunities and responsibilities, reforestation and planning, foundations to selling timber, and estate planning. The Academy is organized by Land & Ladies and the UGA Warnell School of Forestry and Natural Resources, and the Georgia Forestry Commission.

Below are opportunities for you to advertise within the printed workbook for the 2022Woman Landowner Academy.

Please fill out the below information by **December 1st, 2021** to be included in publication.
